DOC Update -

Scott Frakes introduced Alice Taylor, Program Manger for the Washington State Arts Commission.

Alice Taylor provided information on the Art in Public Places Program. With the expansion of the prison Connell would be receiving state funds to select art to be placed in the city on public property. A partnership would need to be formed between the city of Connell and the Washington State Arts Commission. Funding for the program would come from the ½ of 1 % construction cost of the prison expansion. A committee had been formed to help with the selection and placement of the artwork.

Alice Taylor provided a tentative timeline for completion of the project and also provided a slide show of other projects completed for other entities.

Council agreed to place the Interagency Agreement on the September 17 meeting after review by the City Attorney.
