City of Connell, Washington PUBLIC NOTICE

The City of Connell, PO Box 1200, Connell, WA 99326, is seeking coverage under the Washington State Department of Ecology's Construction Stormwater NPDES and State Waste Discharge General Permit.

The proposed project, Country Estates Sewer Improvements, is located at the following locations in Connell: W Elm Place, W Fir Place, S 7th Avenue, S 5th Avenue, W Gum Street, and a stretch of E Fir Street between 7th Avenue and S 5th Avenue.

This project involves 1.5 acres of soil disturbance for constructing the Country Estates Sewer Improvements, which will include gravity and pressure sewer installed by open trench method, manholes service lines and connections, cleanouts, concrete driveway, sewer lift station with other associated site improvements, power supply, water service, asphalt restoration, gravel restoration, lawn restoration, and other associated work.

Any persons desiring to present their views to the Washington State Department of Ecology regarding this Application, or interested in Ecology's action on this Application, may notify Ecology in writing no later than 30 days of the last date of publication of this notice. Ecology reviews public comments and considers whether discharges from this project would cause a measurable change in receiving water quality, and, if so, whether the project is necessary and in the overriding public interest according to Tier II anti-degradation requirements under WAC 173-201A-320.

Comments can be submitted to:
