P.W. Director's Report

Here is the latest on what's happening in Public Works:

- 4/12/17 – Had a phone interview on the Public Works Board Application we turned in on 2014 for a chip seal project that got denied.
- 4/13/17 – Mayor and I spent the morning at the Benton PUD in a Joint TAC/PAC meeting scoring application for street fund from BFCOG. We still have our \$185,000 dollars for the main street chip seal which hopefully can be used in 2018.
- 4/14/17- Sterling and I met with David Cox on the finishing of his 2 homes on North 5<sup>th</sup>.
- 4/17/17- Council Meeting
- 4/18/17- Working with B&R Airport on a replacement of their existing water line.
- 4/24/17- Met with FPUd with Maria about new site for electric car charging station.
- 4/25/17- Met with CORP, BLM & Newhouse's representative about the coulee and flood problem
- Met with Verizon Wireless and Chief Turner
- 4/25-27/17-Jose in water manger's training in Kennewick
- 4/29/17- Lim took her Wastewater 1 test and passed. We now have 3 wastewater operators! Good Job Kim!!!
