CITY ADMINISTRATOR'S REPORT

I hope everyone had a great holiday and enjoyed their time off. The New Year is here and I am looking forward to 2017. I am excited to be working on the City's Comp Plan update as it will give Staff, Council, and citizens a chance to work together on a vision for our wonderful city!

Not a lot has taken place since our last Council Meeting, the time between Christmas and New Year's is typically our quietest time at City Hall.

- There is still a vacancy on the Board for the Planning Commission. The Planning Commission serves a very important role in making recommendations to the City Council. Anyone interested in serving on the Board may write a letter addressed to the Mayor.
- Along with Mayor Blackwell, attended the monthly Chamber Meeting.
- I enjoyed the Christmas gathering that we had. The food and the company were great. Thank you to everyone who attended.
- Continuing to working on updating the City's Personnel Policy with the recommendations provided by CIAW.
- Working on setting an outline for the Comprehensive Plan process. One of our first tasks will be to design a survey requesting input from citizens. The survey will be on our website and will be a fillable form so citizens can fill it out online and submit it online as well.
- Will be starting to work with the Union next week on negotiating the Police Contract.
- Connell University:
 - January 9, 2017 – Building/Planning Clerk Sterling Joyner. *You won't want to miss this presentation as Clerk Joyner will be sure to bring down the house!*
 - March 13, 2017 – Police Chief Chris Turner
 - May 8, 2017 - Public Works Director Larry Turner
 - July 11, 2017 – City Clerk/Treasurer Rose Courneya
