CITY ADMINISTRATOR'S REPORT

The following City Administrator's Report, while respectfully submitted to the Mayor and City Council, is provided and available to the general public to inform them of the status of City projects and activities. This report, as well as the monthly department reports, is placed on the City's website.

Here is what I have been working on for the month of February:

- Attended the Annual Chamber Banquet. Congratulations to Jeaniffer Keiser, Ray Marroquin, Josh Ledford, and Ken & Sharon Sellereite, our People of the Year!
- Along with the help of Public Works Director Turner and his staff, we submitted a request for \$25,000 from the State's capital budget for work to be completed at the Pool house.
- Held monthly department head staff meeting.
- Participated in a phone conference with the Great Northern Corridor Coalition.
- Along with Mayor Barrow and Public Works Director Turner, met with Bureau of Reclamation, Corp of Engineers, BNSF and South Columbia Basin Irrigation District to discuss the Esquatzel Coulee.
- Met with the Tree Board, started planning for our next Arbor Day Celebration.
- Met with the Park & Recreation Board. Received a request from Judy Booker in regards to supporting a basketball court be constructed at Pioneer Park. The Park & Rec Board were all in favor of the project and voted to recommend the project to the City Council.
- Participated in a grant webinar with Recreation and Conservation Office in regards to possible grants for the walking trail.
- Held a going away gathering for Rose Courneya. Thank you to everyone who stopped by to wish her well.
- Along with Planning/Building Clerk Joyner and Supervisor Brown, met with representatives regarding the construction for the new ambulance building.
- Working with Nicole at AHDL in regards to the City's Comprehensive Plan update. Her first step is to review our current plan to see which elements we need to work on.
- We will be holding a Park & Rec Meeting on March 13th @ 6:00 pm.
