

Connell Police Department

Mission Statement

- to serve the public, safeguarding lives and property
 - to protect against deception, intimidation, disorder and violence
 - to treat the people with respect and dignity
 - to accept the duties and responsibilities required by law and to serve faithfully, and honestly
 - to investigate diligently those crimes and activities which violate the law or ordinance.
 - to utilize professional and cost effective implementation of standards and techniques of law enforcement.
- 

Values

- **INTEGRITY**

Integrity is the foundation of professional law enforcement. It is the basis for the public trust and credibility that allows us to do our job.

- **HUMAN LIFE AND DIGNITY**

We value human life and regard its protection as our highest calling. We value the dignity of others and we treat others as we would choose to be treated under similar circumstances.

- **RESPONSIBILITY AND ACCOUNTABILITY**

We have a tremendous responsibility to the people we serve. We are responsible for upholding laws, the Constitution, and professional standards. We are accountable to the law, to the community, to our ethics, and to our values. We are also responsible for helping the community recognize and meet its responsibility toward us and toward the entire criminal justice system.
