**FIRE DEPARTMENT CITY ADMINISTRATOR REPORT**

---

---

**DATE:** APRIL 18, 2017  
**TO:** MARIA PENA, CITY ADMINISTRATOR  
**FROM:** CHRIS SCHULTE, FIRE CHIEF  
**RE:** Monthly Staff Report Fire Department activities.

**REPORTING PERIOD:** This report covers activities that have occurred or are in progress for the month of March 2017.

- Attended IMT Conference in Vancouver, WA. Event scheduled for March 20-24, 2017. PNW2 (Schulte, IC) was in charge of putting on the conference this year and that responsibility/activity consumed a good share of my time during the first half of the month. Conference implemented without a hitch. Glad that is behind us however.
- Developed, delivered and completed Annual Interagency Wildland Fire Refresher. This is an important north end of Franklin Co wildland fire safety course. This year we had 67 personnel from 6 agencies in attendance.
- 2 different pre-school tours occurred at the fire station
- Toured the Pioneer plant with personnel from Pioneer and Fire District 1 to discuss emergency response.
- Attended a FEMA course, Continuity of Government in Yakima.
