

Winter Weatherization Workshop

Join us...

**Wednesday, November 6
Connell Community Center
211 E. Elm Street, Connell
5:30pm - 7:00pm**

Learn about your home's heating system, how to find drafts and seal them properly, and other helpful tips to keep the heat in and the cold out. Weatherization kits will be available to those in attendance who have RSVP'd.

Please **RSVP** online at www.franklinpud.com, click on **Energy Services**. Space is limited to the first 75 Franklin PUD customers.
