P.W. Director's Report

What's happening in Public Works:

- 6/5/18 Had meeting with Rick Miller, Commissioner, Matt Mahoney, Public Works and Keith Johnson, County Administrator to go over the new Ambulance building and possible other opportunities.
- 6/6/18 Hallie, Ed and Larry met with Cascade Earth Science and they shared with us a program that will help better utilize the waste water that we use on the circles.
- 6/6/18 I went to Anderson Perry in Walla Walla and we discussed the upcoming STIP.
- 6/7/18 Hallie & I went to the monthly Technical Advisory Committee (TAC) meeting held at the Ben Franklin Transit conference room.
- 6/11/18 Met with CRCC here to go over issue's or concerns.
- 6/12/18 Hosted the TIB small cities workshop at the Firehall conference room.
- 6/14/18 Maria, Sterling and I met with Jody Barker to go over some building plans.
- 6/20/18 Adam from Anderson Perry met with Maria and myself and we went on a tour of Connell to look at the street projects that will be on our STIP.
- 6/29/18 Granite Construction started patch work on Columbia Avenue and should be finished with the patching by July 3.
