	Type of Construction (Commercial, Residential, etc.)

Agreement

I, the owner of the above property, situated and being within the City of Connell, in Franklin County, Washington, hereby agree and promise to abide by all Connell Municipal Code provisions relating to the installation of Sewer Connections.

Connell Municipal Code (CMC) 13.20.100 Connection permit required.

No unauthorized person shall uncover, make any connection with or opening into, use, alter, or disturb any public sewer without first obtaining a written permit from the city clerk. No unauthorized person shall open, alter or disturb the streets or alleys of the city for the purpose of making connection with the public sewer system, without first obtaining a written permit therefore from the city clerk. (Ord. 305 § 401, 1971).

It is understood that said Sewer Connection shall become a part of city property, and shall remain the ownership of the city and shall not be removed without permission of the city. It is agreed that the City or its designee shall at all times have access in and to said premises, or where said sewer connection is installed, for the purpose of inspecting the same, and also for the purpose of having said sewer connection repaired. The owner/authorized agent shall not tamper with an approved sewer connection. The owner shall be responsible for any damages which may be necessitated by the owner or his agents. The Director of Public Works of said City for all purposes pertaining to said sewer connection shall be deemed an Agent of the Owner of said premises.

I HEREBY CERTIFY that I have read and examined this application and know the same to be true and correct. All provisions of Laws & Ordinances governing this type of work will be complied with whether specified herein or not. The granting of a permit does not presume to give authority to violate or cancel provisions of any other state or local law regulating construction or the performance of construction.
